CHAIN SPRAY SPORT

Lubricant with ceramic particles to treat chains and gear wheels of bikes. Chain spray sport has a very low friction factor for minimal resistance, maintaining the outstanding lubricating properties, even at heavy load. Extremely suitable for chains and gear wheels of racing, cross and mountain bikes. For heavy circumstances we advise to use MoTip Cycling Chain Spray Ultra. Chain spray sport is water-repellent and resistant to weather influences. MoTip Chain Spray Sport prevents wear and reduces the adhesion of dirt.

Description	Contents	Article number	EAN-code
Chain Spray Sport	400 ml	000271	8711347204748
Chain Spray Sport	200 ml	000292	8711347232338

CHAIN SPRAY ULTRA

High viscous lubricant with ceramic particles to treat chains and gear wheels of bikes. Cycling chain spray ultra has a very low friction factor and excellent adhesion. In view of the unique formula cycling chain spray ultra has excellent long lasting lubricating properties and reduces the adhesion of dirt. Chain spray ultra is resistant to weather influences and is water-repellent. MoTip Cycling Chain Spray Ultra prevents wear and reduces the adhesion of dirt.

Description	Contents	Article number	EAN-code
Chain Spray Ultra	400 ml	000272	8711347204762

CHAIN OIL SPORT

Lubricant to treat chains and gear wheels of bikes. Chain oil sport has a very low friction factor for minimal resistance, maintaining the outstanding lubricating properties, even at heavy load. Extremely suitable for chains and gear wheels of racing, cross and mountain bikes. For heavy circumstances we advise to use MoTip Cycling Chain Oil Ultra. Chain oil sport is water-repellent and resistant to weather influences. MoTip Chain Oil Sport prevents wear and reduces the adhesion of dirt.

Description	Contents	Article number	EAN-code
Chain Oil Sport dry	100 ml	000280	8711347209095

CHAIN OIL ULTRA

High viscous lubricant to treat chains and gear wheels of bikes. Chain oil ultra has a very low friction factor and excellent adhesion. In view of the unique formula cycling chain oil ultra has excellent long lasting lubricating properties and reduces the adhesion of dirt. Chain oil ultra is resistant to weather influences and is water-repellent. MoTip Cycling Chain Oil Ultra prevents wear.

Chain Oil Ultra wet	100 ml	000279	8711347209071

CYCLING

CHAIN CLEANER GEL

Cleaner with high dissolving properties for chains and gear wheels. In view of the unique formula (a combination of the gel structure, the emulsifying properties and the slow evaporation rate) chain cleaner has an optimum cleansing effect. To remove oil and grease. MoTip Cycling Chain Cleaner has a powerful jetspray and a 360° valve.

Description	Contents	Article number	EAN-code
Chain Cleaner gel	400 ml	000275	8711347204786

CHAIN CLEANER

Cleaner for chains and gear wheels to remove oil and grease. In view of the unique formula (a combination of the emulsifying properties and the slow evaporation rate) chain cleaner has an optimum cleansing effect. MoTip Cycling Chain Cleaner has high dissolving properties.

Description	Contents	Article number	EAN-code
Chain Cleaner	5 liter	000282	8711347209255

SUPER LUBRICANT

Low viscous lubricant to treat all non bearing, moving parts of bicycles, with the exception of chains. Extremely suitable to treat part of carbon, aluminium, steel and plastic, both treated and untreated. Super lubricant has a low friction factor for minimal resistance. Super lubricant has excellent lubricating properties, prevents wear and reduces the adhesion of dirt. MoTip Cycling Super Lubricant contains PTFE and is resistant to weather influences and water-repellent.

Description	Contents	Article number	EAN-code
Super Lubricant	400 ml	000273	8711347204809
Super Lubricant	200 ml	000293	8711347232352

BEARING GREASE

Lithium grease for all bearings in a special dispenser. Prevents wear and sticking. Resistant to weather influences. Excellent corrosion prevention.

Description	Contents	Article number	EAN-code
Bearing Grease	200 ml	000276	8711347212682

CYCLING

SHIELD

Corrosion preventive spray to treat fasteners. Shield has excellent corrosion prevention, excellent adhesion and excellent vertical stability. MoTip Cycling Shield is resistant to chemicals and weather influences and weak acids and bases.

Description	Contents	Article number	EAN-code
Shield	400 ml	000277	8711347209118

DISC BRAKE CONDITIONER

Spray with excellent thermal stability to condition disc brakes. Disc brake conditioner prevents wear and sticking and is resistant to chemicals, weather influences, water, salt and weak acids and bases. MoTip Cycling Disc Brake Conditioner has excellent adhesion and a directed jetspray.

Description	Contents	Article number	EAN-code
Disc Brake Conditioner	400 ml	000278	8711347209132

BIO CLEANER

Very effective, biodegradable cleaner. Bio cleaner is user-friendly and has high dissolving properties. MoTip Cycling Bio Cleaner has a subtle scent.

Description	Contents	Article number	EAN-code
Bio Cleaner	500 ml	000281	8711347209156

FOAM CLEANER

Universal cleaning foam with high dissolving properties for light contaminations. MoTip Cycling Foam cleaner is user-friendly and very effective and has a subtle scent.

Description	Contents	Article number	EAN-code
Foam Cleaner	400 ml	000290	8711347232451

CYCLING

E-BIKE CONTACT CLEANER

Spray with high dissolving properties to clean electrical contacts. Contact cleaner is non-conductive and non-corrosive and leaves no residue. MoTip Cycling E-Bike Contact Cleaner has a powerful jetspray and can be used in various positions.

Description	Contents	Article number	EAN-code
Connection Spray	200 ml	000286	8711347232253

E-BIKE ELECTRO PROTECT

Electro preservative with good penetrating properties for electrical systems, which must be protected for moisture. Electro protect is water-repellent and moisture repellent. Electro Protect is resistant to water, salt and weak acids and bases. MoTip Cycling E-Bike Electro Protect has excellent adhesion and excellent corrosion prevention.

Description	Contents	Article number	EAN-code
Protect Spray	200 ml	000287	8711347232277

SHINE & PROTECT

User-friendly maintenance spray to clean, protect and obtain a lasting gloss. Suitable to treat all lacquered and carbon bicycle parts. Shine & protect is water-repellent and antistatic. Shine & protect reduces the adhesion of dirt and protects against weather influences. MoTip Cycling Shine & Protect is non polishing and contains silicones.

Description	Contents	Article number	EAN-code
Shine & Protect	400 ml	000270	8711347204724

IMPREGNATION SPRAY

Spray to protect textile and leather from moisture and the adhesion of dirt. As a result of the unique formula, an invisible, protecting film is formed, which is water-repellent, however, breathing and effectively prevents renewed adhesion of dirt. MoTip Cycling Impregnation Agent gives lasting protection and is user-friendly.

Description	Contents	Article number	EAN-code
Impregnation Spray	400 ml	000296	8711347232413

CYCLING

PENETRATING OIL

Effective tool to loosen rusted parts. Penetrating oil has good penetrating properties and contains graphite and MoS₂. Penetrating oil is moisture repellent and rust preventive. MoTip Cycling Penetrating Oil has a powerful jetspray and can be used in various positions.

Description	Contents	Article number	EAN-code
Penetrating Oil	400 ml	000288	8711347232291
Penetrating Oil	200 ml	000289	8711347232314

BRAKE CLEANER

Brake cleaner with excellent dissolving properties. Brake Cleaner leaves no residue and is non-conductive and non-corrosive. MoTip Cycling Brake Cleaner has a powerful jetspray.

Description	Contents	Article number	EAN-code
Brake Cleaner	200 ml	000291	8711347232475

PTFE SPRAY

Universal lubricant with outstanding mechanical and thermal stability to treat mechanical parts of metal. PTFE spray has a very low friction factor and excellent adhesion. PTFE spray is resistant to weather influences and weak acids and bases. MoTip Cycling PTFE Spray has a fine structure (particle size approximately 5 micrometer) and a directed jetspray.

Description	Contents	Article number	EAN-code
PTFE Spray	400 ml	000284	8711347209194
PTFE Spray	200 ml	000295	8711347232390

TYRE REPAIR

Rubber based spray to execute emergency repairs on tyres. MoTip Cycling Tyre Repair is easy to use and can be used without removing the tyre.

Description	Contents	Article number	EAN-code
Tyre Repair	200 ml	000297	8711347088102

CYCLING

CARBON GRIP

Tool for the assembly of carbon parts. In view of the unique formula, a combination of lithium grease and quartz particles, carbon grip has unique gripping properties for the assembly of carbon parts. Carbon grip simplifies the assembly and has a directed jetspray. MoTip Cycling Carbon Grip is water-repellent and resistant to weather influences.

Description	Contents	Article number	EAN-code
Garbon Grip	400 ml	000274	8711347204823

SILICONE SPRAY

Silicone spray to lubricate and protect plastic or lacquered parts. Silicone spray is water-repellent, moisture repellent and resistant to weather influences and weak acids and bases. Silicone spray prevents creaking and squeaking of plastic parts. Silicone spray has outstanding mechanical and thermal stability. MoTip Cycling Silicone Spray has a directed jetspray.

Description	Contents	Article number	EAN-code
Silicone Spray	400 ml	000283	8711347209170
Silicone Spray	200 ml	000294	8711347232376

VASELINE SPRAY

Universal, transparent, lubricant and preservative with excellent adhesion. Vaseline spray is water-repellent and resistant to weather influences and weak acids and bases. MoTip Cycling Vaseline spray has excellent corrosion prevention and prevents wear and sticking.

Description	Contents	Article number	EAN-code
Vaseline Spray	400 ml	000285	8711347209217
